ROMA

Z. RANDALL STROOPE

JUNE 20 - 24, 2015

The Rome International Choral Festival is one of Rome's premier annual summer music events. The seventh-annual festival will feature Mass participation at St. Peter's Basilica in the Vatican on June 22, 2015, and a formal finale concert at Rome's famed Saint Mary above Minerva Basilica on June 23, 2015. The festival chorus will include mixed-voice singers and choirs from across North America that will come together to rehearse and perform en masse under the baton of maestro Z. Randall Stroope. Tour and festival production is produced by Music Celebrations International.

BASILICA DI SAN PIETRO IN VATICANO

St. Peter's Basilica is one of four major basilicas of Rome. It is the most prominent building inside the Vatican City and built on the ruins of Old Saint Peter's Basilica. Directly to the east of the church is St. Peter's Square (Piazza di San Pietro), built by Gianlorenzo Bernini between 1636 and 1667. It is surrounded by an elliptical colonnade with two pairs of Doric columns which form its breadth, each bearing ionic entablatures.

BASILICA DI SANTA MARIA SOPRA MINERVA

Basilica di Santa Maria sopra Minerva is considered the only Gothic church in Rome, and is the city's principal Dominican church. The basilica gets its name because like many early Christian basilicas, it was built directly over (sopra) the foundations of a temple dedicated to the goddess Minerva. Behind a self-effacing facade, its arched vaulting is on painted with brilliant red ribbing, and blue with gilded stars, a 19th century restoration in the Gothic taste. The basilica is located on the small piazza Minerva close to the Pantheon, in the rione Pigna.

FESTIVAL TOUR EXTENSIONS

Through our years of experience, we at Music Celebrations know most choirs that participate in a European festival will want to spend additional time in Europe before or after a festival in order to explore and experience the rich musical and cultural heritage Europe has to offer. Through our exclusive association with various governmental and tourist offices, MCI is able to help choirs perform in stand-alone concerts as part of the American Celebration of Music in Italy concert series. The following are examples of possible pre or post-festival tour extensions to consider.
