

FESTIVAL CORALE INTERNAZIONALE DI
ROMA

Z. RANDALL STROOPE
ARTISTIC DIRECTOR
JUNE 21 - 25, 2017

The Rome International Choral Festival is one of Rome's premier annual summer music events. The eighth-annual festival will feature Mass participation at St. Peter's Basilica in the Vatican on June 23, 2017, and a formal finale concert at Rome's famed Basilica of Saint Mary above Minerva on June 24, 2017. The festival chorus will include mixed-voice singers and choirs from across North America that will come together to rehearse and perform en masse under the baton of maestro Z. Randall Stroope. Tour and festival production is provided by Music Celebrations International.

BASILICA DI SAN PIETRO IN VATICANO

St. Peter's Basilica is one of four major basilicas of Rome. It is the most prominent building inside the Vatican City and built on the ruins of Old Saint Peter's Basilica. Directly to the east of the church is St. Peter's Square (Piazza di San Pietro), built by Gianlorenzo Bernini between 1636 and 1667. It is surrounded by an elliptical colonnade with two pairs of Doric columns which form its breadth, each bearing ionic entablatures.

BASILICA DI SANTA MARIA SOPRA MINERVA

The Basilica of Saint Mary above Minerva is considered the only Gothic church in Rome, and is the city's principal Dominican church. The basilica gets its name because like many early Christian basilicas, it was built directly over (sopra) the foundations of a temple dedicated to the goddess Minerva. Behind a self-effacing facade, its arched vaulting is on painted with brilliant red ribbing, and blue with gilded stars, a 19th century restoration in the Gothic taste. The basilica is located on the small piazza Minerva close to the Pantheon, in the rione Pigna.

Through our exclusive association with various governmental and tourist offices, MCI is able to help choirs perform in stand-alone concerts as part of the American Celebration of Music in Italy concert series.
